

Advanced Care Training

What is the Advanced Care Training course?

Our Advanced Care Training is a course we offer in partnership with Nescot College which gives you an opportunity to develop your knowledge and skills for more specialist care.

You'll **develop your knowledge and skills for specialist care** which will enable you to care for clients with more complex needs

Having this qualification will help to give you the **confidence** to tailor care to your clients' needs

Your pay will increase to £10.50 (weekday) & £12.50 (weekend) on completion

You'll get **official recognition for your knowledge, skills & experiences**

The work you do will count towards your Level 2 Diploma in Health & Social Care

No classrooms

No exams

Enrol today and we'll support you on your journey!

What topics does the Advanced Care Training course cover?

- Dementia training
- Palliative and end-of-life care
- Pressure ulcer prevention
- Medication management
- Mental Capacity Act & DOLS
- Mental health awareness

What's the learning and assessment like?

Completing this course is entirely flexible!

- You'll **choose three modules** from the list
- You'll have between 8-12 weeks to complete each module (one after the other)
- **No exams** - Nescot will provide you with your own workbook/online access so you can **write your coursework from anywhere**
- You **won't have to attend any classes** - maintain your routines & lifestyle
- Your Nescot tutor will be responsible for marking and grading your work

Who is the Advanced Care Training course available to?

If you've completed your Care Certificate, you're eligible to enrol on our Advanced Care Training course whenever you're ready. We'll support you all the way!

What support is available?

Working in partnership with Nescot College helps us build a support network for you for the duration of your course. You'll have the support of your Trinity team and you'll also be assigned a dedicated tutor at Nescot. **We'll be by your side the whole way!**
